Re: Request for Transfer to Regional Caucus

Dear President McDougall:

At the regular meeting of Council of Region of Queens Municipality held on November 23, 2021, a motion was adopted to request that Nova Scotia Federation of Municipalities (NSFM) transfer our membership in NSFM's Rural Caucus to the Regional Caucus.

Previously, we felt we had more in common with rural municipalities, but that is no longer the case and wish to have our status moved to the Regional Caucus effective immediately.

Thank you for your consideration of our request. We look forward to your positive reply to our request.

Yours truly,

Darlene Norman
Mayor
