Dear President McDougall:

We understand that the Minister of Municipal Affairs and Housing has a mandate to renegotiate the Memorandum of Understanding with Municipalities.

Considering the important nature of this MOU and the potential financial impact of its renegotiation, we are wondering if you could share what process will be used and how you will engage municipalities to ensure all of our comments and concerns are considered.

Should you require any further information, please do not hesitate to contact me.

Yours truly,

Lindsay (Eddie) Nickerson,
Warden
