Hi Juanita and Jeff,

I wanted to advise you of upcoming municipal consultations PVSC will be conducting August through October with Mayors and Wardens.

Engagement with municipalities is central to achieving our mission to provide essential, world-class property assessment services that enable our clients to make sound decisions. With the current economic and social challenges facing Nova Scotia, we want to hear directly from our municipal clients about our services and any challenges and priorities they may have.

I have attached the letter that was sent to Mayors and Wardens today for your information.

We look forward to engaging with our province's elected municipal leader's one-on-one, sharing information, and finding new ways to better assist our municipalities in the months and years to come. Once the consultations are complete, perhaps we could find time for our organizations to discuss opportunities for collaboration.

Kind regards,

Kathy

Municipal Mayors and Wardens
Nova Scotia Municipalities

Dear Mayors and Wardens:

Re: PVSC Municipal Consultation

Since 2007, Property Valuation Services Corporation (PVSC) has provided an Assessment Roll each year to Nova Scotia's municipalities, in accordance with the *Nova Scotia Assessment Act*.

Engagement with municipalities is central to achieving our mission to provide essential, world-class property assessment services that enable our clients to make sound decisions. With the current economic and social challenges facing Nova Scotia today, we want to hear directly from you, our clients, about our services and any challenges and priorities your municipality may have.

We have contracted Jimmy MacAlpine as a Government Relations Officer to assist in our consultations. You may already know Jimmy from his 20 years of service with the Municipality of the District of Digby as Warden and Councillor. Jimmy is very familiar and well-versed with the operating context and pressures placed on municipal governments.

Over the next couple of months, Jimmy will be reaching out to you directly to connect and gather your input and insights. This information will help inform our client engagements, communications, and services moving forward.

We look forward to engaging with each of you, sharing information, and finding new ways to better assist our province's municipalities in the months and years to come.

Sincerely,

Kathy Gillis
Chief Executive Officer
