Thank You so much for your support during the restructuring of NSFM and the new election process. I'm grateful for the opportunity to serve NSFM as a Board Member these past three years and sincerely appreciate all the support I received from across Nova Scotia. My heart is full of gratitude.

I want to extend my sincere congratulations to all new Board members, and in particular, our incoming president, Mayor Bolivar-Getson. There is still much work to do to ensure all municipalities have the tools and resources to meet the complex challenges ahead. This Board needs your support to do the heavy lifting.

Congratulations to NSFM on an exceptional Fall Conference, see you all again soon!

Pam

*It is a privilege to live and work in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq People. This territory is covered by the "Treaties of Peace and Friendship" which Mi'kmaq and Wolastoqiyik (Maliseet) people first signed with the British Crown in 1725. The treaties did not deal with surrender of lands and resources but in fact recognized Mi'kmaq and Wolastoqiyik (Maliseet) title and established the rules for what was to be an ongoing relationship between nations.*
