As in past years, the purpose of this funding is to provide for the recovery of the incremental costs associated with the administration of civic addressing programs at the municipal level.

I want to take this opportunity to express my thanks to you and your staff for the excellent support provided to the Nova Scotia 911 system, without which we could not continue to deliver the very high caliber of service that Nova Scotians have come to expect.

Should you have any questions, please contact David Wilson, Director, Provincial 911, Emergency Management Office toll free at 1(866) 424-5620.

Sincerely,
