Dear Madam Mayor:

Brenda.

Thank you for the kind words of congratulations on my recent appointment as Minister of Public Safety, Democratic Institutions and Intergovernmental Affairs.

I appreciate hearing from partners from coast to coast to coast. Working closely with the municipalities and rural communities, community groups, industry, and other organizations is crucial as we take actions to keep Canadian communities safe and work together to strengthen Canada's democracy.

I would like to take this opportunity to thank the Nova Scotia Federation of Municipalities for its involvement in the Contract Management Committee, and to acknowledge its valuable insights and contributions to the Contract Policing Assessment engagement.

Once again, thank you for taking the time to share your best wishes on behalf of the Nova Scotia Federation of Municipalities. I consider the responsibilities of this position to be an honour, and I am dedicated to serving all Canadians in this new role.

Yours sincerely,

Dominic
