Dear Minister O'Regan,

Re: Congratulations on new Cabinet portfolio

On behalf of the Nova Scotia Federation of Municipalities (NSFM), I want to congratulate you on your expanded role on Cabinet as Minister of Labour and Seniors.

NSFM is the legislated voice of all 49 municipalities in Nova Scotia. Municipalities manage a wide range of services that enable a high standard of living and mobility for their residents. The aging population of Nova Scotia presents specific challenges that our members work hard to address. By partnering with other orders of government, municipalities can increase their capacity to address these challenges.

I invite you to discuss opportunities for collaboration with our Board and membership. We look forward to working with you in your expanded Cabinet position.

Kind regards,

Brenda Chisholm-Beaton
President, Nova Scotia Federation of Municipalities
