You ask for our attendance at NSFM meetings, while the NSFM is used for private political gains. I am relieved, I wasn't at the meeting where the NSFM was used as a puppet to further the chairs agenda, forcing amalgamation on the town of Antigonish. Allowing false information to enter the discussion. We live in a democratic society, where the ballot box decides the methods, we choice to do business. This NSFM overriding free choice, bulling the Provincial government, taking away communities' rights, is the methods, dictators and losers' resort to. The mayor of Port Hawkesbury, dictating to the voters of Antigonish. As the organizer of the No campaign in Pictou County let's be clear. Millions of tax payer's dollars, was spent by the pro amalgamation group, to brainwash the people of Pictou County. They had the curtsy, to make democracy the choice. Let's not forget good people died for the right to choose. 75% voted NO to amalgamation. But the handful pushing their agenda haven't accepted the answer. Get educated, to the true facts not rumours; Ontario Premier Mike Harris stopped amalgamation half way through, pointing out its failures. Premier Doug Ford is dismantling amalgamation. However, the brain trust at the NSFM see it their right to bypass voters, provincial governments to appease a friend. The President needs to stay in Port Hawkesbury and amalgamate her county.

**On behalf of Mayor Lennie White, Towns Caucus Chair**

Fellow Towns Caucus Members;

I know you have received several reminders of our [upcoming Fall Conference, next week, November 1 - 4 at the Westin, Halifax](#) but as your Towns Caucus Chair I want to add my voice to encourage you to attend. For many first term Councillors this will be your first opportunity to attend such an event. I think I can speak for those of us who have had the opportunity to attend previous conferences over the years, when I say, it will be well worth your time to attend.

If you have already registered I want to encourage you to attend our Towns Caucus meeting which is set for November 1st from 3 pm to 5 pm in the Harbour A&B room.

For those of you who have attended previous Fall Conferences you will note that our Caucus meeting is earlier in the conference agenda than normal. This is necessitated by the numerous important agenda items scheduled during our meetings.

We have important business to conduct during our Caucus meeting so I am looking for a good turnout. I am attaching a copy of the meeting package here for your information. I look forward to seeing you on the 1st!

All the best,  
Lennie

Lennie White BA, BEd  
Towns Caucus Chair  
Mayor  
Town of Westville
