Dear Premier McNeil,

RE: NSFM CONFERENCE

On behalf of the Board of Directors for the Nova Scotia Federation of Municipalities (NSFM), I would like to invite you to deliver a keynote address to our members at our annual Fall Conference scheduled for November 6th – 8th at the Westin Nova Scotian Hotel in Halifax. The theme for this year's conference is *Leading the Change*.

As you know, NSFM is the voice of Nova Scotia's 50 municipalities. We represent 379 municipal leaders, including Mayors, Wardens and councillors. We work closely with many provincial departments to voice the priorities of our members and we engage extensively in provincial consultations and committees.

We invite you to deliver your remarks and respond to questions on Thursday, November 7th from 9:00 a.m. – 9:30 a.m. New this year, we are inviting all four party leaders to address our members at various times throughout the conference. We are requesting 10 minutes for remarks, allowing 20 minutes for pre-submitted questions that will be provided to you in advance.

Conference registration is expected to exceed 270 elected municipal officials and senior staff.

NSFM believes this is a great opportunity for you to hear directly from our members on the issues facing Nova Scotia's municipalities and for you to share how the provincial government is leading the change in our great province.

I look forward to hearing from you.

Sincerely,

{Original signed by}

Councillor Waye Mason
