Dear Ms. Spencer,

On behalf of Premier McNeil and our Liberal Caucus members, thank you for meeting with us on June 19.

By the way of sharing your knowledge and concerns we can act more effectively in our capacity as a majority government to better serve all Nova Scotians.

Please keep in touch with our Caucus and continue to communicate the issues you see facing our province. It is only through the active engagement with the members of our communities that we can work towards making a better future for all Nova Scotians.

Again, thank you for your time. We look forward to working together in the future.

Regards,
