Dear Ms. Sherman:

RE: The Accessible Tourist

Thank you for the invitation to meet with you and your team last Fall and for a tour of your organization. I was particularly interested in your new program, The Accessible Tourist.

As a representative of all 50 of Nova Scotia's municipalities, I know our members are very supportive of making Nova Scotia accessible for all. As you may know, all municipalities in Nova Scotia are working on accessibility plans for their communities.

Your program, along with the work municipalities are doing, will help move our province forward. I commend you on the comprehensive approach of working with communities and the business sector, travelers and tourists.

On behalf of my members, I wish you the very best with this initiative. I look forward to learning more as the program continues to roll out.

Kind regards,

Juanita Spencer

CEO, Nova Scotia Federation of Municipalities
