**RE: Invitation to Meet with NSFM Board**

Dear Mr. Burrill,

On behalf of the Board of Directors of the Nova Scotia Federation of Municipalities (NSFM), I am extending an invitation for you and your party's Municipal Affairs Critic, Ms. Kendra Coombes, to an upcoming ZOOM meeting.

All levels of government and all political parties have an important role to play in guiding our province and our country into a newly defined future.

We would like to learn about your party's position on reopening the economy as COVID-19 loosens its grip on our province, and your thoughts on how best to help Nova Scotians through the recovery phase.

There are many lessons to be learned from how all levels of government handled the Coronavirus pandemic. But there are also opportunities for us to do things differently. That's why we're reaching out to you to find common ground, points of shared concern, and ways we can work together to achieve success for all Nova Scotians.

NSFM would also like to share with you the important work Nova Scotia municipalities have been doing during these unprecedented times to support our communities, and to take the opportunity to convey the concerns of our members who represent residents from one end of this province to the other.

Signed,
