Dear Warden Smith:

Thank you for your letter of May 29, 2020, regarding extended producer responsibility (EPR) for printed paper and packaging (PPP) and how it would contribute to increased efficiency in the solid waste resource management system.

I have received an EPR proposal for printed paper and packaging (PPP) from the Solid Waste Resource Management Regional Chairs Committee. This involved a great deal of work and insight from all those involved. I want to assure you that I am continuing to assess that proposal.

Sincerely,

A handwritten signature in blue ink that reads 'Gordon Wilson'.

Minister of Environment
