MEDIA CONTACTS

Folks,

Thank you all so much for your participation and support for our annual conference and NSFM. Again, it is truly humbling to have been elected President.

My first request of all of you is if you **could take a minute to email me local media contacts** for inclusion in our expanded NSFM media contact list. We have already gotten good contacts from CBRM and HRM, but we are looking for **local papers, websites and radio stations** that still do news reporting.

We will use this expanded media list to help promote NSFM initiatives, as well as send out locally focused releases when we are conducting the regional meetings or spring conference.

You can always reach me through this email or by phone, though email is always better for me. I look forward to hearing from you!

Thanks,

Waye
